

Online Learning Platforms

for your education and training programs

Since 1999, Xec has trained via Distance Learning methods at the graduate level and implemented live and on-demand digital media streaming for working professionals.

Scalable eLearning Alternatives

Training programs can be digitally streamed on-demand or live from your website.

1. Narrated Slides

- standard PowerPoint slides are indexed and have embedded AUDIO
- you progress at your own speed
- you can stop and repeat the topic

2. Slides and Video

- the presenter and his slides are synchronized
- you can stop and repeat the topic

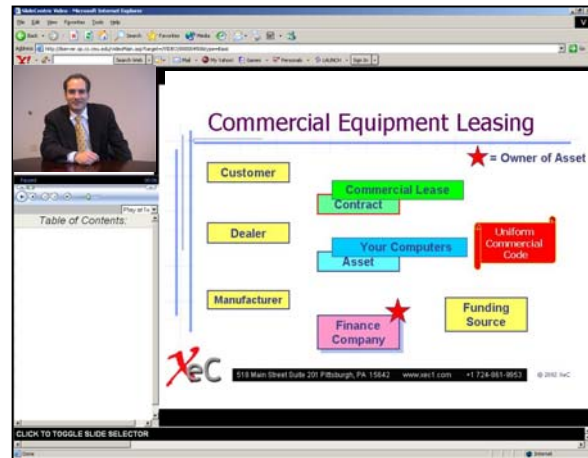

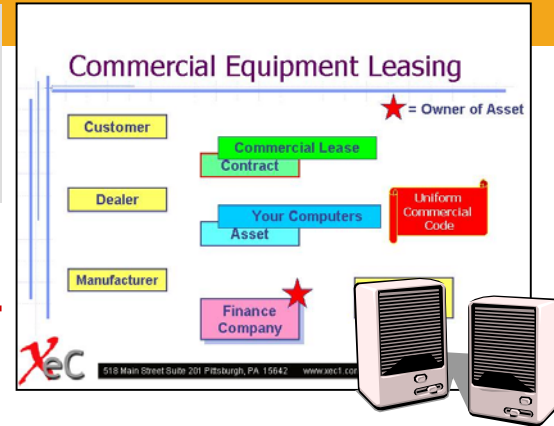

3. Speaker and his Slides Integrated

- the presenter appears on his slides using green-screen technology
- you can stop and repeat the topic

All use Microsoft Office XP standards.

Hosted On Line Training

Our 'turnkey' solution will digitize your training sessions and host the streaming media

Education = Increased Productivity
